

Writing your own composition

```
/**  
 * Returns when meal is ready.  
 */  
suspend fun prepareLouisFavoriteMeal() {  
    cookSoftBoiledEggs()  
    buyIceCream(  
        brand = "Häagen Dazs",  
        flavor = "Vanilla Caramel Brownie"  
    )  
}
```

**Why wait before
buying Ice Cream?**
