

@Louis_CAD

Functions signatures

```
fun answerToTheUltimateQuestion(): Int {  
    var result = Long.MAX_VALUE  
    while (result > 42) result--  
    return result.toInt()  
}
```

Same with I/O (storage, network...)

A blue speech bubble with a white border and a white shadow. The bubble is oriented horizontally and has a small tail pointing downwards and to the left. The word "Expensive!" is written in white, bold, sans-serif font in the center of the bubble.

Expensive!

How to cancel it?

netuurn

while(result > 42) result =

var result = Long.MAX_VALUE

fun answerToTheUltimateQuestion(): Int {

result.toInt()
